

The League of Women Voters asks,

“Do you know how you are affected, who to contact and how to be heard?”

The League of Women Voters, a nonpartisan political organization, encourages informed and active participation in government, works to increase understanding of major public policy issues, and influences public policy through education and advocacy.

During 2011-2012, the Lawrence-Douglas County Chapter of the League will study, learn and educate ourselves and the public on the following Federal, State and Local matters that affect us all:

WHAT IS YOUR CIVIC DUTY?	The Role of the Federal Government in Public Education
<i>To know?</i>	Transparency in Campaign Finance
<i>To understand?</i>	Kansas tax policies with a focus on tax exemptions, tax credits, income tax & property tax.
<i>To act?</i>	Redistricting as required after the 2010 Census Data
	Voter registration leading up to the 2012 election. How will it be done under new law? Voter education about the new Kansas Voter Photo Identification Law.

If you are interested in learning more about one of the oldest non-partisan organization in the Nation, please join us for an informational meeting on the League of Women Voters.
